   Review, Consideration, and Possible Action on the following:

   A. Approve, modify and/or reject, January 28, 2020 Board meeting minutes.

       Mr. Noel moved and Mr. Gilmore seconded to accept the minutes; motion carried. Dr. Angel and Mr. Mcallister abstained.

   B. Approve, modify and/or reject, February 11, 2020 Board meeting minutes.

       Dr. Angel moved and Mr. Everroad seconded to accept the minutes; motion carried. Mr. Mcallister abstained.

   C. Approve, modify and/or reject, January 28, 2020 Board meeting executive session minutes.

       Mr. Gilmore moved and Ms. Wyckoff seconded to accept the minutes; motion carried. Mr. Mcallister and Dr. Angel abstained.

   D. Approve, modify and/or reject, February 11, 2020 Board meeting executive session minutes.

       Mr. Gilmore moved and Ms. Wyckoff seconded to accept the minutes; motion carried. Mr. Mcallister and Dr. Angel abstained.
5. CONSIDERATION OF CASES REFERRED FOR FORMAL HEARING

Formal Hearings or Related Proceedings will begin at 9:30 a.m.

Nothing to consider

6. ENFORCEMENT MATTERS

Review, Consideration and Possible Vote on the following:

A. Complaints Proposed for Resolution by Dismissal or Closure:

   Mr. Foose recused himself.

   Ms. Wyckoff moved and Mr. Jones seconded to dismiss the case; motion carried unanimously.

2. HI20-017, Clint Clarkson, C.H.I. #67523

   Mr. Jones moved and Mr. Gilmore seconded to dismiss the case; motion carried unanimously.

3. HI20-022, Jason Farrier, C.H.I. #38071

   Respondent appeared before the Board.

   Respondent stated that he was unsure how the complaint got this far since the inspected home in this matter sold without issue.

   Mr. Noel moved and Mr. Gilmore seconded to dismiss the case; motion carried unanimously.

4. HI20-019, Kevin Barber, C.H.I. #60049

   Allegers, Ron Manoogian and Tom Brady, appeared before the Board.

   Mr. Manoogian stated that he disagreed with Board staff’s recommendation to dismiss the case. He argued that Respondent’s home inspection report did not meet the Board’s standards since Respondent did not indicate that he could open the home’s windows in his home inspection report and all the windows in the home were difficult to operate.

   Dr. Angel noted that the Board was considering discussing this complaint because Respondent indicated in his home inspection report that he operated the window(s), and it appeared that Respondent made a good faith effort to correct the issue with Allegers, and that the Board’s standards require a home inspector indicate whether the
window(s) were operable, not whether it was easy or hard to operate them.

Mr. Manoogian stated that recommendation wasn’t fair because he would need to make repairs to the windows to the amount of $12,000. Mr. Brady explained that most of the windows in their home were inoperable and stated that they would never have bought the house knowing these issues existed. Mr. Foose explained that the Board only reviewed and took action on whether Respondent met the standards when completing his home inspection report.

Mr. Montgomery noted that the standards indicate that a home inspector must operate a representative number of windows yet Respondent’s home inspection report only indicated that the windows were inspected, not operated. Investigator Kraemer volunteered to travel to Allegers’ home, inspect the windows with Respondent and report to the Board.

Dr. Angel moved and Ms. Wyckoff seconded to table this issue for a future meeting and task staff to investigate this matter further; motion carried unanimously.

5. P20-005, Dennis Rogers, R.A. #28523

Respondent appeared before the Board.

Ms. Wyckoff stated that she knew Respondent but could be impartial in this matter.

Mr. Jones moved and Ms. Wyckoff seconded to dismiss the case; motion carried unanimously.

B. Complaints Proposed for Resolution by Letters of Concern:
   1. HI20-015, Corey Stephens, C.H.I. #67422

Dr. Angel moved and Mr. Noel seconded to issue a letter of concern; motion carried unanimously.

C. Complaints Proposed for Resolution with Signed Consent Agreements:
   1. P20-007, Steven Seitz, P.E. (Civil) #33562 and Seitz Engineering, LLC, Firm #21897

Ms. Wyckoff stated that it was disheartening to learn that an alleger had to submit a complaint to the Board to get a Respondent’s attention but later asked the Board to drop its investigation, which the Board could not do by law.

Dr. Angel asked if staff had opened a complaint against the drafter in this matter. Investigator Lorea answered ‘yes.’ Mr. Foose asked why the case did not include assessments or and EAC. Investigator Loera answered that the case did not require assessments or an EAC because Respondent admitted to the allegation(s).
Ms. Wyckoff moved and Dr. Angel seconded to accept the signed consent agreement; motion carried unanimously.

Mr. Montgomery opined that Respondent should take an ethics course in addition to the disciplinary actions already included in the consent agreement. Dr. Angel agreed.

Mr. Gilmore moved and Mr. Jones seconded to accept the signed consent agreement; motion carried unanimously.

D. Complaints for Consideration of Proposed Consent Agreement:
   1. P18-037, Brian Robichaux, Non-Registrant

   Respondent’s counsel, Douglas Folk, appeared before the Board telephonically.

   Mr. Folk stated that Respondent, who was absent due to an illness, would sign the redlined consent agreement if the Board accepted it in its current form. He further stated that he and Respondent made substantive changes to the Findings of Fact in consideration of the Attorney General’s Office and the Board’s concerns.

   Mr. Foose asked Ms. Pritzl and Mr. Donald if the changes reflected the Board’s concerns with the previous consent agreement. Both replied that it was up to the Board to determine. Dr. Angel asked for clarification regarding Findings of Fact paragraph three. Mr. Folk obliged, explaining that the paragraph indicated that Respondent was the owner of his architecture firm and not a registrant. Ms. Wyckoff stated she appreciated the changes to the consent agreement.

   Mr. Everroad moved and Ms. Wyckoff seconded to offer the proposed consent agreement and if not signed within 30 days move to formal hearing; motion carried unanimously.

E. Complaints Recommended for Formal Hearing:
   1. P20-031, Ahler Halhber, aka; James Halarewicz, R.A. #50925, P.E. (Architectural) #46059, P.E. (Civil) #44459

   Staff attempted to contact Respondent telephonically multiple times but were unable to reach him.

   Ms. Wyckoff moved and Mr. Jones seconded to combine this matter with P19-023 and send to formal hearing; motion carried unanimously.
F. Complaints Proposed for Summary Suspension of Registration:

1. P20-028, Paul Stover, R.A. #35136

Dr. Angel moved and Mr. Gilmore seconded to enter executive session to seek legal advice at 10:24am.

The Board reentered open session at 10:32am

Ms. Cornelius reminded the Board that this matter was agendized for summary suspension per the Board’s direction at the February 25, 2020 meeting. Dr. Angel opined that some sort of probationary period on Respondent’s license was more appropriate than summary suspension. Mr. Montgomery agreed. Ms. Cornelius stated that Respondent’s felony conviction was a violation of the Board’s statutes. Dr. Angel opined that a summary suspension was unnecessary because Respondent was in prison.

Dr. Angel moved and Mr. Noel seconded to not summarily suspend Respondent’s license and to direct staff to discuss with the AAG the possible violations in this matter; motion carried unanimously.

The Board took a break at 10:45am and returned at 10:55am.

Mr. McAllister left the meeting at 10:55am.

7. LICENSING MATTERS

Discussion, Consideration and Vote on the following:

Universal Licensure: Whether to Grant Registration after Full Board Review

A. Goldsmith, Sean - Application for Registration as a Mechanical Engineer #192945

Dr. Angel moved and Mr. Noel seconded to grant registration based upon the Board’s determination that the applicant’s state of original registrations practice level was equivalent to Arizona; motion carried unanimously.

B. Jakubowski, Ryan - Application for Registration as a Geologist #200091

Dr. Angel moved and Mr. Noel seconded to grant registration based upon the Board’s determination that the applicant’s state of original registrations practice level was equivalent to Arizona; motion carried unanimously.

C. Glass, Todd - Application for Registration as a Mechanical Engineer #200224

Mr. Montgomery noted that the Board packet did not include the applicant’s state of original registration, South Dakota, standards and therefore he could not determine if South Dakota’s practice level was equivalent to Arizona.

The Board decided to pend this matter for a future meeting.
8. LICENSING CONSENT AGENDA
