## LAND SURVEYOR INSTRUCTIONS FOR COMPLETING AN APPLICATION FOR NCEES FUNDAMENTALS OF SURVEYING (FS) EXAM AUTHORIZATION

#### NOTICE: KNOWINGLY MAKING A FALSE STATEMENT IN CONNECTION WITH YOUR APPLICATION MAY BE CAUSE FOR DENIAL OF YOUR APPLICATION AND/OR REFERRAL FOR CRIMINAL PROSECUTION.

Please review the Arizona Board of Technical Registration (AZBTR) **Rules** and **Statutes** on the website carefully. They establish the requirements for examinations and explain Board procedures. It is very important that you become thoroughly familiar with the Statutes and Rules.

- Complete each section of the application following instructions on the form and in Rule R4-30-204.
- Print the required information neatly or use a word processor. Be sure to sign it. If you require additional space, please attach a supplemental sheet of paper.
- The information on this website provides answers to the most frequently asked application related questions. All requests for information relating to your application status should be made in writing.
- Applicants requesting a waiver of exam must submit an application for waiver of examination. Please refer to the AZBTR website for the appropriate application.

Once the AZBTR receives a completed application, an application number will be assigned and a file established. **No refunds** will be made. It is your responsibility to ensure that your application is correct and complete. A completed application includes the following:

- Completed application with all questions answered, signed and dated
- A signed check or money order in the amount of \$100.00 for the application fee
- Military status form
- Official college transcripts, if applicable
- Up to three Certificate of Experience forms, if applicable

Applicants must obtain pre-authorization approval to sit for an examination by:

**The Arizona Board of Technical Registration**: All candidates who wish to take the Fundamentals exam must apply with the Board for exam authorization approval. The Board's approval process may take eight to twelve weeks depending on the applicant's qualifications and timely submission of required documents. If the Board has not received an application from you and approved you to sit for a national examination, you will not be authorized to take an NCEES examination. If approved, you will have one year from the date of approval to take and pass the exam, otherwise you will need to re-apply and pay the application fee.

#### Supporting documentation for application:

- The Board will maintain all documentation submitted (prior to applying) for a maximum of one year.
- Documentation from a previously submitted application may be used for a new application granted it falls within the AZBTR's retention schedule.
- Transcripts: Arrange to have copies of certified transcripts for all educational credit claimed sent **directly from the Registrar**. Electronic transcripts should be sent directly to **licensing@azbtr.gov**. The AZBTR will accept an education equivalency evaluation from a Board approved entity in place of official transcripts for foreign education. The evaluation must contain the applicant's graduation date. If the graduation date is not listed then official transcripts will be required. Please refer to A.A.C. R4-30-208 to determine the education allocation that may be applied to your degree.
- Foreign degree transcripts must be translated to English and evaluated by an entity of the Board's choosing. Evaluations must be completed prior to submitting an application with the Board, as the process for evaluation may take several months. Final evaluations must be submitted directly to the Board by the evaluating entity. Evaluations will not be accepted from the applicant. If the graduation date is not shown on the evaluation, then official transcripts will be required.
- Land Surveyor Certificate of Experience forms must be **submitted directly to the Board from the applicant's current or former supervisors** who are registered land surveyors. The applicant is responsible for completing Section A of the form and mailing forms to the present and past supervisors. The sum of the eleven categories in the "Detailed Summary of Qualifying Experience" section of the form must total the amount (in months) of your employment with that particular company. The supervisors must complete Section B of the form and send all pages directly back to the Board. The Board will not accept forms that are submitted by the applicant and will not accept old forms previously submitted to any other jurisdiction. Forms may be sent directly to **licensing@azbtr.gov**.
- If the applicant cannot provide Land Surveyor Certificate of Experience forms completed by supervisors, the applicant can submit a letter of explanation as to the reason why that requirement cannot be met and have Land Surveyor Certificate of Experience forms submitted by professional references, at least two of whom are registered land surveyors for consideration. Please note that submission of these alternate forms will be considered, but may not be accepted as demonstrating necessary experience.

An application is not considered "administratively complete" until all of the verifying documentation has been received. You will receive a notice from the Board via regular mail and email when your application is received and administratively reviewed. If you do not receive a confirmation within two weeks, you are welcome to contact your Licensing Specialist by email. Please refer to the "About Us" "Staff" section on the website to obtain the email for your assigned Licensing Specialist. Application assignments are made based on the first letter of the applicant's last name.

The Board will rely on your answers to the questions below in determining whether or not this applicant should be issued a license to practice as a professional in Arizona. Please recognize the importance of this information and give due care to your responses. Use additional pages, if required. Please evaluate the qualifications of this applicant in the light of professional requirements. These characteristics show up in practice and are known only to the applicant's acquaintances and associates.

If you are not a professional registrant, you <u>must</u> include your resume.
