INSTRUCTIONS FOR COMPLETING AN APPLICATION FOR IN-TRAINING DESIGNATION

- Fundamentals examination verification for applicants must be provided directly to the AZBTR by the Board of jurisdiction in the state where the applicant completed the examination.
- **If the applicant does not have a four year degree in their specific field, three Certificates of Experience Record and Reference forms must be submitted directly to the Board from the applicant's current or former supervisors who are registered in the same profession for which the applicant is applying to demonstrate that the applicant meets the experience criteria for registration.** The applicant is responsible for completing Section A of the form and mailing forms to the present and past supervisors. The sum of the eleven categories in the "Detailed Summary of Qualifying Experience" section of the form must total the amount (in months) of your employment with that particular company. The supervisors must complete Section B of the form and send all pages directly back to the Board. The Board will not accept forms that are submitted by the applicant and will not accept old forms previously submitted to any other jurisdiction. Forms may be sent directly to **licensing@azbtr.gov**.
- If the applicant cannot provide Geologist Certificate of Experience forms completed by supervisors, the applicant can submit a letter of explanation as to the reason why that requirement cannot be met and have the Geologist Certificate of Experience forms submitted by professional references, at least two of whom are registered engineers for consideration. Please note that submission of these alternate forms will be considered, but may not be accepted as demonstrating necessary experience.
- If you have had any license or registration disciplined in Arizona or another jurisdiction, you must provide a copy of the Order. If you have been charged or convicted of a criminal offense, you must have the police record and court order sent to the AZBTR directly by the court of jurisdiction.
