

IMPORTANT NOTICE TO HOME INSPECTOR AND REMEDIATION SPECIALIST APPLICANTS

**Please carefully read this document before signing
and returning it with your application.**

In answering questions 1 through 7 in **Section 2. Registration** on the application, please note the following:

- If you answer "yes" to any of the questions, you must provide a detailed written explanation regarding the facts and circumstances surrounding the incident and provide official documentation supporting your explanation (i.e., police reports, court records, Board disciplinary orders, Board complaint, Order of Denial of registration or license, etc.).
- You must answer "yes" to questions 6 and 7 even if you pled "no contest" or "nolo contendere" to the felony or misdemeanor charges, and even if the conviction has been set aside or expunged - regardless of what you have been advised in the past.
- Alcohol and drug-related offenses that occur when driving or riding in an automobile (i.e., DUI, DWI, OWI, etc.) are NOT considered minor traffic violations and these convictions should be reported.
- FBI criminal history information obtained as a result of fingerprinting often has arrest information but no disposition of charges listed (i.e., 'dismissed', 'convicted', etc.). If the official record received by the Board reflects an arrest, you will be required to provide official documentation obtained from the court regarding the disposition of the arrest, even if the charge was ultimately dismissed.

The fingerprint cards submitted with your application will be used to check the Federal Bureau of Investigations (FBI) criminal history records to determine your suitability for certification.

In the event you feel your criminal history record is inaccurate or incomplete, you will be afforded the opportunity to challenge the accuracy of the record and assure that the record is complete, pursuant to Title 28, Cod of Federal Regulations (CFR), section 16.34.

- False or misleading answers regarding any information provided to the Board of Technical Registration as part of your request for registration or certification may result in denial of your application.
